This month's story features Barley Bear and his day-long quest to find a piece of shoo-fly pie at the fair. In class we'll read about Barley and talk about his willingness to wait and be patient in the middle of the distracting carnival activity. He learns to share the only piece left with all his friends at the end of the day. At home, your Home Kit includes more activities to help your child feel comfortable in group-play and group-learning situations.
